Mr. Speaker:

We, your COMMITTEE ON STATE AFFAIRS, report that we have had under consideration [H 602](#) and report it back with amendments attached to be placed on General Orders for consideration.

LOERTSCHER, Chairman

[H 602](#) was placed on General Orders for consideration.

There being no objection, the House advanced to the Seventh Order of Business.

### Motions, Memorials, and Resolutions

#### HOUSE CONCURRENT RESOLUTION NO. 58 BY STATE AFFAIRS COMMITTEE

##### A CONCURRENT RESOLUTION

STATING FINDINGS OF THE LEGISLATURE AND REQUESTING THE CONSTITUTIONAL DEFENSE COUNCIL TO INVESTIGATE THE FEASIBILITY OF PURSUING LEGAL AND OTHER ACTIONS TO ALLOW THE STATE OF IDAHO TO ASSERT CONTROL OF AND PROVIDE MAINTENANCE OPERATIONS ON BUREAU OF LAND MANAGEMENT AND UNITED STATES FOREST SERVICE LANDS.

Be It Resolved by the Legislature of the State of Idaho:

WHEREAS, a vast majority of the land in Idaho is held by the United States government, the bulk of them being Bureau of Land Management lands and U.S. Forest Service lands; and

WHEREAS, these lands may not be assessed property taxes under our state Constitution; and

WHEREAS, the "Payment in Lieu of Taxes" provisions in the Craig-Wyden bill provided moneys that are not adequate or sufficient to fund schools and local units of government in our state; and

WHEREAS, the biomass industry, along with other green energy applications in Idaho, are hamstrung by the restrictive practices and regulations of the U.S. Forest Service and Bureau of Land Management; and

WHEREAS, Idahoans have the knowledge and expertise to manage these lands as well as the federal government while still providing environmental protection and encouraging responsible economic development on these lands.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixtieth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we request the Constitutional Defense Council to investigate the feasibility of pursuing legal and other actions to allow the State of Idaho to assert control of and provide maintenance operations on Bureau of Land Management and U. S. Forest Service lands.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives shall send a copy of this resolution to the members of the Constitutional Defense Council.

#### HOUSE JOINT MEMORIAL NO. 13 BY WAYS AND MEANS COMMITTEE

##### A JOINT MEMORIAL

TO THE SENATE AND HOUSE OF REPRESENTATIVES OF THE UNITED STATES IN CONGRESS ASSEMBLED, AND TO THE CONGRESSIONAL DELEGATION REPRESENTING THE STATE OF IDAHO IN THE CONGRESS OF THE UNITED STATES.

We, your Memorialists, the House of Representatives and the Senate of the State of Idaho assembled in the Second Regular Session of the Sixtieth Idaho Legislature, do hereby respectfully represent that:

WHEREAS, one of the most significant ways to improve freight system performance on the highways of the western United States is through the use of more efficient trucks and truck combinations; and

WHEREAS, longer combination vehicles (LCV) have demonstrated over the past two decades considerable benefits to the general public in terms of increased productivity, higher safety ratings, increased fuel savings, emission reductions and a straightforward method of addressing congestion mitigation; and

WHEREAS, the Federal Highway Administration's "Western State Scenario Analysis" found that expanded use of LCVs in thirteen western states would reduce heavy truck vehicle miles traveled (VMT) by 25% in 2010, reduce fuel consumption and emissions by 12%, save shippers two billion dollars a year, reduce pavement costs as much as 4% and reduce highway noise by 10%; and

WHEREAS, a Federal Highway Administration "freeze" on state authority to expand the use of LCVs has been in place since 1991; and

WHEREAS, since 1991, there has been substantial population and vehicle registration growth and significant increases in VMT, emissions and congestion growth; and

WHEREAS, Congress is now deliberating the approval of a new national transportation funding reauthorization bill that could take advantage of new transportation strategies to improve highway efficiency, reduce VMT, assist in reducing traffic congestion and reduce fuel consumption while reducing air pollution emissions.

NOW, THEREFORE, BE IT RESOLVED by the members of the Second Regular Session of the Sixtieth Idaho Legislature, the House of Representatives and the Senate concurring therein, that we urge the Congress of the United States to support and vote to lift the LCV freeze in the 13 western states of Arizona, Colorado, Idaho, Kansas, Montana, Nebraska, Nevada, North Dakota, Oregon, South Dakota, Utah, Washington and Wyoming. In lifting this freeze, the Federal Highway Administration will give to these states the flexibility to establish and operate pilot test programs to evaluate LCV routes, configurations and operating conditions. These pilot programs can provide the means for these 13 western states to gain uniformity in the oversight of LCVs as means to realize the benefits from LCV operations in each of these states and throughout the western United States.

BE IT FURTHER RESOLVED that the Chief Clerk of the House of Representatives be, and she is hereby authorized and directed to forward a copy of this Memorial to the President of the Senate and the Speaker of the House of Representatives of Congress, and the congressional delegation representing the State of Idaho in the Congress of the United States.

[HCR 58](#) and [HJM 13](#) were introduced, read the first time by title, and referred to the Judiciary, Rules, and Administration Committee for printing.
